Unless otherwise expressly provided for in these Rules, Nasdaq Dubai shall not be liable for any act or omission or for any failure, suspension, restriction or delay in the provision of services and facilities or the performance in whole or in part of its obligations under these Rules, if, such act, omission, failure, suspension, restriction or delay arises out of causes beyond its reasonable control. Such causes may include, but shall not be limited to, acts of God, war, terrorism, civil disturbances, riots, acts of a civil or military authority, embargoes, fires, floods, explosions, accidents, labour disputes, mechanical breakdowns, computer or system failures or other failures of equipment, failures of or defects in computer or system software, unavailability of or restrictions on any online communications system or communication media or facilities, interruptions (whether in whole or in part) of power supplies or other utility or service, any suspension, restriction or closure of any market, any market emergency, failure, interruption or suspension of any depository or Custodian, bank or financial institution, any law, decree, regulation or order or directive of any government, competent authority or any court or tribunal, and any other causes in all cases which are beyond Nasdaq Dubai's reasonable control.

accordance with the Data Protection Law 2007 DIFC Law No.1 of 2007 as amended from time to time with respect to personal information on Nasdaq Dubai Systems. Nasdaq Dubai acknowledges that (a) Members may, pursuant to these Rules and/or at the request of Nasdaq Dubai, transfer information about their employees, officers and directors and other Persons to Nasdaq Dubai, and (b) such transfers may, in the absence of appropriate arrangements to protect the transferred information, place Members in breach of European or other data protection or privacy laws. In relation to each such transfer or set of transfers Nasdaq Dubai shall therefore, if so requested in writing by the relevant Member, promptly enter into a contract (as data importer) with that Member (as data exporter) on the terms annexed (under the heading "SET II") to European Commission Decision 2001/497/EC (as amended by European Commission Decision 2004/915/EC), with option (iii) selected in Clause II(h) and such information inserted in Annex B to describe the transfer or set of transfers as that Member may reasonably specify in its request.

- (5) in relation to the enforcement of that Member's obligations under these Rules;
- (6) for any other purpose with the consent of the Person from whom the information was obtained and, if different, the Person to whom it relates,

provided that nothing shall prevent Nasdaq Dubai from disclosing any Confidential Information which is already in the public domain in any jurisdiction unless it has come into the public domain as a result of a breach by Nasdaq Dubai of this Rule 2.16.

2.18 Conclusive evidence

Any written statement or report provided by Nasdaq Dubai, which relates to trading, clearing and/or settlement shall, in the absence of manifest error, be final and conclusive unless disputed by the recipient within 10 Business Days of its dispatch by Nasdaq Dubai. Except as otherwise agreed by Nasdaq Dubai, the failure of any Member to inform Nasdaq Dubai of any error or omission in any advice, statement or report

promptly (in any event within 10 Business Days of its dispatch by Nasdaq Dubai) shall constitute a waiver in favour of Nasdaq Dubai by such Member of any right to require rectification.

2.19 Anti-Money Laundering

Nasdaq Dubai shall issue an Anti-Money Laundering Notice which shall inter alia set out the anti-money laundering regime which Nasdaq Dubai requires its Members to comply with. 2.20 Governing Law

2.20.1 These Rules shall be governed by and construed in accordance with the laws of the DIFC and each Member irrevocably submits to the exclusive jurisdiction of the DIFC Court.

2.20.2 Each Member irrevocably:

- (1) waives any objection arising at any time to the laying of venue of any proceedings brought in DIFC;
- (2) waives any claim that such proceedings have been brought in an inconvenient forum; and
- (3) further waives the right to object with respect to such proceedings that the DIFC Court does not have jurisdiction over it.

2.20.3 Nasdaq Dubai shall be entitled to institute proceedings in any other jurisdiction to enforce the obligations of a Member which arise under or in connection with these Rules.

2.21 Market Place Service

2.21.2 The Market Place Service shall be provided, and Trading Members may only use the Market Place Service, in accordance with these Rules and Procedures, which may be advised to Members from time to time. For the avoidance of doubt, Orders submitted by way of the Market Place Service and Transactions resulting therefrom will be subject to these Rules as if the Orders had been entered by Trading Members directly in the Central Order Book by electronic means.

2.21.3 All communications relating to the placing, cancellation or variation of Orders between Trading Members and Nasdaq Dubai in relation to the Market Place Service shall be made by telephone, email or other recordable electronic communication. In order to ensure that it is able to perform its regulatory functions, Nasdaq Dubai records all telephone conversations relating to the placement, cancellation,

variation or handling of Orders and indications of interest by Members with Nasdaq Dubai in relation to the Market Place Service.

2.21.4 Subject to these Rules and Procedures, which may be advised to Members from time to time, Nasdaq Dubai will use its reasonable endeavours to give effect to the instructions given to the Market Place Service by a Trading Member in relation to the placement, cancellation, variation or handling of Orders or indications of interest in Admitted Securities.

2.21.5 Without prejudice to Rule 2.9 and subject to Rule 2.9.4, Nasdaq Dubai shall have no obligation or liability to any Member or any of its Customers, including without limitation in respect of: (i) a Member's use of or inability to use the Market Place Service; and (ii) any delay, default or failure in Nasdaq Dubai's placing, cancellation, variation, execution or handling of any Order or indication of interest in any Admitted Security.

4. Trading Rules for Admitted Securities

4.1 Scope

This Chapter 4 sets out the Rules governing trading on the Nasdaq Dubai Securities Market.

4.2 Market overview

4.2.1 Nasdaq Dubai operates a market model that centres around a Central Order Book where Orders are submitted by Members including those Members, if any, who are Market Makers in specific Admitted Securities. The Central Order Book provides anonymous, automated Order matching on the basis of price and time priority resulting in Transactions binding on the Members. Orders in the Central Order Book that stipulate no price limit are given priority, and where price limits are equal, priority will be given according to the time of entry.

4.2.2 Transactions are entered into by Members when Orders from opposite sides of the Central Order Book are matched in Nasdaq Dubai Systems or when an Off-Order Book Transaction entered into by a Member is accepted by Nasdaq Dubai Systems as an Off-Order Book Transaction.

4.2.3 Generally, Central Order Book trading begins with an opening auction (following a period in which Orders are accumulated without execution) which is followed by continuous trading. However, Nasdaq Dubai may change the trading phases which apply to the trading of Admitted Securities via Circular.

4.3 Binding contract

For the purpose of these Rules (and without prejudice to any agreement between Members relating to Off-Order Book Transactions), a Securities Transaction is created between Securities Trading Members when:

- (1) an Order to buy and an Order to sell are matched within Nasdaq Dubai Systems; or
- (2) when it is reported and confirmed by the Trading Members through Nasdaq Dubai Systems.

4.4 Business Days and Trading Hours

4.4.1 Business Days for a calendar year and Trading Hours will be published by Circular.

4.4.2 Trading Hours may be extended or reduced in exceptional circumstances at the discretion of Nasdaq Dubai.

4.5 Currency of trading

Unless otherwise provided for by Nasdaq Dubai, all Orders shall be expressed in US Dollars.

4.6 Order requirements

4.6.1 Minimum indications for any Order submitted to the Central Order Book shall include, at a minimum:

- (1) identification of the Member submitting the Order;
- (2) the ISIN or the trading symbol assigned by Nasdaq Dubai to such Admitted Security;
- (3) the Trading Account Number;
- (4) whether the Order is for a purchase or a sale;
- (5) the Order quantity;
- (6) the price, where applicable; and
- (7) whether the Order is:
 - (i) for House Business; or
 - (ii) Customer Business; or
 - (iii) Market Maker activities.

4.6.2 Nasdaq Dubai may, by Circular, set a minimum or a maximum Order quantity or value for specified Admitted Securities.

4.6.3 Orders entered into the Central Order Book may, depending on the Order type, be for immediate execution, valid for a Business Day, valid until a specified date, or until Cancelled, provided that no Order shall extend beyond the date of entry into the Central Order Book plus 365 days. Absent specification of its duration, an Order shall be deemed to be valid for the Business Day.

4.6.4 Unexecuted Orders in respect of a specific Admitted Security shall be Cancelled in the Central Order Book upon the occurrence or the announcement of certain events concerning the Issuer which are likely to substantially affect the price of such Admitted Security, as set out by Notice. Members must agree with Customers whether, in the event that such Orders are Cancelled, whether the express renewal of Orders is required or whether Members are entitled to re-enter Orders after having performed any necessary price or quantity adjustments, where appropriate.

4.7 Order types and parameters

4.7.1 The following types of Orders may be submitted to the Central Order Book:

- (1) *Limit Orders*: Limit Orders are purchase or sale Orders that can only be executed at the specified price limit or a better price;

- (2) *Market Orders*: Market Orders are purchase or sale Orders with no price limit which, in continuous trading, are executed immediately at the best opposite price limit (existence of matching Order in the opposite side is essential) with any remaining unexecuted portion being automatically transformed into a limit Order at the best opposite price limit and added to the Central Order Book; and
- (3) *“fill-and-kill Orders”*, also referred to as *“execute-and-eliminate Orders”*, are Orders which are executed to the fullest extent possible either immediately upon entry during continuous trading or at the general matching of an auction, with any remaining unexecuted portion being Cancelled;
- (4) *“fill-or-kill Orders”*, also known as *“all-or-none”* Orders can only be placed during the main trading session. A fill-or-kill order can only be executed in full depending on market conditions at the time it is entered and at the specified price or better (which could be a limit price or at market). If a fill-or-kill order cannot be immediately executed, the order will immediately expire
- (5) Other Order types may be permitted as set out by Nasdaq Dubai by Notice.

4.8 Trading phases

4.8.1 Nasdaq Dubai may choose, in its sole discretion, whether to operate continuous trading in respect of a specific Admitted Security, or to operate an auction in respect of a specific Admitted Security, or to combine auction trading with continuous trading for a specific Admitted Security. The method of trading for a specific Admitted Security will be notified by Circular.

4.8.2 The method used to calculate the Closing Price for an Admitted Security will be set out via Circular.

4.9 Pre and Post-Trading Order Book management

During a period specified by Nasdaq Dubai before and after the close of trading, Trading Members can access the Central Order Book for the purpose of modifying or cancelling existing Orders for the current and next Business Day.

4.10 Market Maker

4.10.1 Nasdaq Dubai may but shall not be obliged to appoint one or more Market Maker in respect of a specific Admitted Security. A Member who wishes to be a Market Maker shall enter into a Market Maker Agreement, which shall specify inter alia details of the market making obligations assumed by that Market Maker in respect of a specific Admitted Security. The provisions of the Market Maker Agreement may amend, supplement and /or modify the provisions of this Rule 4.10 and without limitation may set out a number of additional circumstances in which the Market Maker will not be required to enter and/or maintain its bid and ask Orders. In the event of any conflict between the provisions of this Rule 4.10 and the provisions of the Market Maker Agreement, the provisions of the Market Maker Agreement shall prevail.

4.10.2 Subject to the provisions of the Market Maker Agreement, a Market Maker shall enter bid and ask Orders for each Admitted Security for which it is registered as a Market Maker.

4.10.3 Unless otherwise provided for in the Market Maker Agreement or unless otherwise decided by Nasdaq Dubai, a Market Maker shall enter and actively maintain its bid and ask Orders in respect of each specific Admitted Security for which it is a Market Maker:

- (1) in at least the minimum Order size;

- (2) within the maximum spread between bid and ask prices; and
- (3) for the minimum required time period.
- (4) If a Market Maker fails to enter and actively maintain its bid and ask Orders as provided for in accordance with the provisions of this Rule 4.10.3, then Nasdaq Dubai may require the Market Maker to enter or re-enter, as the case may be, its bid and ask Orders. If Nasdaq Dubai acting in its sole discretion, determines that the Market Maker has failed to enter and/or actively maintain its bid and ask Orders or that its bid and ask Orders do not comply with the provisions of Rule 4.10.3 (which the Member and Nasdaq Dubai may have agreed to modify in the Market Making Agreement), then Nasdaq Dubai may take all or any of the actions set out in Rule 4.10.6.

4.10.4 Nasdaq Dubai may allow a Market Maker to be relieved from its obligation to submit bid and ask Orders when otherwise required to do so (either in respect of a specific Admitted Security for which it is a Market Maker or generally), or to withdraw all or certain of its bid and ask Orders during Trading Hours. Nasdaq Dubai may grant the Market Maker “excused withdrawal status” in any of the following circumstances:

- (1) if:
 - (i) there are religious or public holidays at the place of operation of the Market Maker; and
 - (ii) the Market Maker submits a written request to Nasdaq Dubai no less than one Business Day prior to such religious or public holiday; and
 - (iii) Nasdaq Dubai in its sole discretion determines that there are exceptional circumstances for granting such a request; or
- (2) if a Market Maker’s ability to submit bid and ask Orders is impaired by reasons beyond its control, and the Market Maker has immediately notified Nasdaq Dubai of this fact with supporting reasons or evidence; or
- (3) if the Market Maker is subject to other applicable regulations that prevent it from trading in the Admitted Security, or the Admitted Security is placed on that Market Maker’s restricted trading list and the Market Maker provides details of this restriction; or
- (4) if Nasdaq Dubai declares a fast market; or
- (5) if any other exceptional situation occurs that has an adverse effect on the ability of the Market Maker to submit bid and ask Orders and the Market Maker has provided prior notification to Nasdaq Dubai.

4.10.5 A Market Maker which does not meet the requirements of Rule 4.10.4 shall be deemed to have withdrawn from the market on an unexcused basis.

11.13 Reconciliation

11.13.1 The CSD will ensure that the ownership interest recorded on the Registry and with foreign registrars or upper-tier custodians is equal to the cumulative entitlements of all Account Holders for each Eligible Security.

11.13.2 If, having undertaken a reconciliation as provided for in Rule 11.13.1, there is a shortfall between the entitlements in the CSD and the recorded interest of Nasdaq Dubai, then Nasdaq Dubai will investigate the shortfall and take such actions, acting in good faith, as it deems appropriate.
